RENTED & SEASONAL CONDOMINIUM RISKS

Do you have a short-term rented condo or a seasonal condo pool risk that you can't find a market for? Then Cansure has just the package for you!

The cost of this package is minimal, and if you have more than one unit we can offer a discounted rate for each additional unit. Increases are available for Contents & Improvements, as well as Rental Income limits.

While our package is designed for short-term rented condos and rental pools, we also write long-term rented condos and seasonal condos.

Note: packages may vary.
