

# CANNASURE BY CANSURE

PROPERTY & CASUALTY  
FOR STANDARD CULTIVATION  
& PROCESSING, SALE FOR  
MEDICAL PURPOSES,  
ANALYTICAL & RESEARCH  
LICENCEES

Cansure is proud to be a market leader in the Cannabis industry by offering bespoke insurance solutions to meet the needs of licensed cannabis, producers, manufacturers, and distributors alike while also responding to the very specific needs of ancillary markets, such as consultants, funders and licensed medical laboratories and prescription-based treatment facilities.

Our underwriters have intimate and in-depth knowledge of the industry's complexities and nuances across Canada, which has allowed us to create a product that addresses your needs from a holistic risk management perspective. Together with our trusted domestic and global insurance partners, we are able to provide exclusive arrangements to address many of the moving parts that are important to you.

Cannasure by Cansure offers a complete insurance solution for your licensed cannabis operations that you can have confidence in. Check out our list of coverage features and extensions available to you, and speak with your insurance broker to learn more about how Cannasure can protect your business to keep you growing!

B055.3 (June 2020)
