

# PRODUCT LINE OVERVIEW

## About Us

Our strategic intent is to be Canada's leading source for underwriting solutions. With our business and underwriting experience, we believe we have the ability to leverage our internal resources, capabilities and core competencies to sustain a competitive value proposition for brokers in Canada. It is our mission to continue to offer innovative product solutions regardless of the market conditions.

All of our insurance products have been innovated and tailored to specific client needs and industry segments. By dealing with the highest caliber of security and coverage innovation, including a focus on claim services, you are assured of a market leading coverage option for your clients.
