

PROPERTY INSURANCE

CAPACITY FOR ALL
CONSTRUCTION TYPES
AND PROTECTION
CLASSES

Cansure is a leading insurer of general property risks across Canada. Cansure offers capacity for all construction types and protection classes, serviced by experienced underwriters with deep specialization in general property, non-standard property, construction, and inland marine. Cansure's comprehensive policy wordings and coverage extensions are ideal to insure any of the following target classes, and more.

Cansure is pleased to offer lead terms or subscription capacity following easily on the wordings of most major Canadian Insurer's policy forms.
