

SHORT TERM & AIR BNB RENTALS

STAND ALONE COVERAGE FOR SHORT TERM RENTALS

Do you have a stand-alone short term rental? Owner Occupied Dwelling with short term rentals in the basement? Primary Dwelling with only a few weeks of short term rentals? How about a Rented Cabin that also offers guided tours or boat rentals? We have you covered!

Risks are rated on an individual basis, so that your clients' needs, no matter what the situation, can be considered. We recognize that not all short term rentals operate the same and, if needed, we can go to our commercial department to supplement your PL risk. We will come up with an innovative solution with competitive rates that will have you coming out on top!
