

ENVIROSURE CONTRACTOR'S POLLUTION & CGL

INCLUDING MOULD
ASBESTOS AND
LEAD REMEDIATION
CONTRACTORS

Cansure's Remediation Contractors Pollution and Commercial General Liability program is designed to provide a policy that combines both commercial general liability (CGL) and contractors pollution liability (CPL) for contractors. It covers environmental and non-environmental losses arising from remediation and covered operations.

This package policy is specifically tailored for a variety of environmental contractors including those involved in asbestos, lead and mould remediation.
