

# HARD TO PLACE RISKS

## OUT-OF-THE-BOX SOLUTIONS FOR DIFFICULT PERSONAL LINES RISKS

Having trouble placing a risk? Cansure offers a wide variety of hard-to-place policies, ranging from Small Tenants Packages to High Valued Homes and Farms. You CAN BE SURE that we'll find a way to help you and your clients find the right coverage for every situation.

Risks are reviewed and rated on an individual basis and anything "out-of-the-the box" is our specialty! Our expert underwriters don't just look for boxes to put risks into, discarding those that don't fit perfectly. Instead, we judge each risk on its own merits, paying particular attention to creative ways to help your customer get covered. Where other underwriters see "No!", we look for ways to get to "Yes!", including deductible options, tailored endorsements and more. We'll help you fit the square pegs into the round holes!
