cansURE

HOLE IN ONE

Our Hole in One program makes every golf tournament a special event by providing you with coverage for prize limits up to \$100,000 with an option for Prize Reinstatement. Ask your broker for a Cansure policy to cover a single event, or for a seasonal package if you regularly sponsor hole in one prizes.

PROGRAM FEATURES

- Minimum premium is \$100
- Prize Reinstatement Option
- Prize limits to \$100,000
- Competitive policy premiums
- Individual Hole, Multiple Holes,
Tournament or Seasonal Packages

Prize Reinstatement: Should there be a Hole-In-One winner, the reinstatement option means the full prize is reinstated so the prize is still available a second time for the remaining golfers who have yet to attempt the insured hole. This option is available for an additional 10% premium.
