

Add Comprehensive Legal Expense Insurance Coverage to any Cansure P&C Policy!

Cansure is excited to introduce our new Commercial Legal Expense coverage, available as an add-on to any Cansure commercial policy. Like our other add-on products, Commercial Legal Expense is simple, comprehensive and affordable.

Simple. No application forms or underwriting is required for small and medium sized businesses with gross receipts up to \$10M. Just let us know your insured's revenues. We'll do the rest!

Comprehensive. Our standard cover provides your customer with access to legal services for employment disputes, criminal prosecution, property disputes and personal injury, as well as unlimited toll-free telephone access to a lawyer for immediate advice on any commercial matter.

Affordable. Premiums start at \$100 for comprehensive coverage.

We live in a litigious society with dissatisfied customers, human rights complaints and employee disputes, to name a few commonplace situations. These are issues not covered by a commercial liability insurance policy. For many businesses the high cost of retaining a lawyer may place them in a position where they have to choose between jeopardizing their financial bottom line by incurring heavy legal expenses, or risking financial ruin, even bankruptcy and closure, by failing to have proper legal representation. Cansure's Commercial Legal Expense product can protect your clients' bottom line and offer them peace of mind by providing access to, and payment of the reasonable legal fees of, a lawyer specializing in business and employment law when they need it.
